Grand Café Efes

Grand Café Efes is named after the town of Efeze. This is a beautiful sun-drenched city in western Turkey. A city with a lot of history.

Since 1985 Grand Café Efes have been passionately striving to bring the Turkish hospitality and also its sun to Kampen. In summer you can sit down on our sunny terrace. Experience the same warmth in winter and try one of our Turkish specialties. Enjoy our cozy Turkish atmosphere in the center of Kampen.
